

Catholic Registers

Gwent Archives holds some of the registers for the Catholic Diocese of Cardiff. The registers hold a wealth of information on but please note that, at the request of the Diocese, records from 1922 and later are not available for research.

Gwent Archives also holds a copy of *Monmouthshire Catholic Mission Records* in our library (Ref: 824). This was compiled from Catholic Record Society volumes and include transcripts of Catholic registers from around the county. Please see our library catalogue (<https://www.gwentarchives.gov.uk/media/euwplq0v/author-order-report.pdf>) for further transcriptions of Catholic registers
